Selectmen's Meeting

ASKS FOR GIFT

The Youth Athletic Committee, led by spokesman John Haley, asked Selectmen to consider their request for another town athletic field using the gift from the George Coleman, Jr. Foundation. Haley said the field, which would be planned for the former Mattapoisett dump site at the entrance to the Industrial Park on land owned by Dennis Mahoney & Sons, would cost in the neighborhood of 25 to 30 thousand dollars and the Coleman Fund gift would be a decent sum to start the fund to be completed by residents and businesses. Selectmen Chairman R. William Blasdale was advised by Selectmen William Hubbard and John DeCosta, who were present last week when the Coleman gift was announced, that the donor had requested that the gift be used for something tangible that would not ordinarily be supported by taxpayers in the benefit of ambulance, police or youth. Blasdale said that he didn't know if the transportation and leveling of dirt met the requirements. The Selectmen asked that the Youth Association prepare a schedule of steps to be

done to complete the field. They said that they could present a proposal to the donor to see if it met with approval.

HOUSING AUTHORITY

Atty. Janice E. Robbins was recommended by the Housing Authority to serve on the board until the next April election to fill the unexpired term of Robert Raphael who recently resigned. Voting jointly with Housing Authority members, Selectmen appointed her. At the next election she can run for the remainder of the term which expires in 1983.

"GRANDFATHER" ASSESSORS

Selectmen voted unanimously to exempt the present Board of Assessors from requirements of certification under a "grandfather" clause in the new mandate by the state. The Selectmen felt that the many years of service on the Board of Assessors qualify the present board members to continue to serve in that capacity.

APPROVE BONFIRE

Selectmen approved a request by the ORR Boosters' Club's Beverly Posiviata to hold a bonfire at a rally to be held at Ned's Point before the Cranberry Bowl. Spokeswoman Mrs. Posiviata explained it was to generate spirit among the student body.

APPROVED POLE LOCATIONS

Selectmen approved 2 pole locations on Tinkham Lane and a pole removal on Fairhaven Road east of Reservation Road by the New Bedford Gas & Edison Light Co.

OPPOSES SUBSIDIZED HOUSING

William C. Hunt of 6 Pepperbush Lane wrote Selectmen in opposition to the plans presented by June Mendell, executive director of the Housing Authority, to seek federal funds under Sec. 705. The plan as proposed would buy up multi-family dwellings in poor repair and renovate such

F.H.S. Alumni

A meeting of Fairhaven High School alumni will be held in the school's Knipe Auditorium at 7:30 p.m. on October 23rd.

All area residents who are alumni of the school are asked to attend, when plans will be discussed for the inauguration of an alumni fund-raising project to deal with beautification, utility, and other remedial aspects of the interior of the building.

Mr. Grabiec and school department personnel will be present as will members of the original restoration committee who will supply information regarding the exterior renovations which have been effected during the past two years.

A tour of the school will be available, and alumni discussion and input will be solicited to insure effective organization committees for the proposed project.

It is estimated that there are some 6,000 living alumni of F.H.S. If contacted, they could be a powerful and effective medium in procuring the expertise which would restore the school's interior to its original condition of beauty and dignity.

Dance, Nov. 22

The Mattapoisett Youth Athletic Association (M. Y. A.A.) is sponsoring a fund-raising dance on Saturday, November 22, from 8 to 12:30 at Pine Hill Pavilion in Acushnet. Tickets may be obtained from any member of the Board of Directors of the M.Y.A.A. or by calling Nancy Rocha at 758-6660 or Marie Haymaker at 758-4467.

Mattapoisett Woman's Club

October 17th - St. Anthony's Parish Hall - Wine, Cheese, Dance demonstrations.

Please be sure to note the change of date and place this month only. Hope you have already sent in your reservations to Mary Broadwater. This should prove to be an interesting and different meeting. David Levine, of United Liquors, will be showing us a film about the Inglenook Winery in the Napa Valley of California, and we will be tasting some of their products. Jim and Nancy Barrett of Barrett's Dance Studio will be on hand to demonstrate some of the old and new styles of dance.

LITERATURE GROUP - Just a reminder of this meeting October 15th at 9:30 a.m. at Dot Brintnall's.

STATE FALL MEETING - The Massachusetts State Federation of Women's Clubs' Fall meeting will be held October 29th at The Lantana in Randolph. This is an all-day meeting, with cars leaving at 9:30 a.m. There will be two interesting speakers: Andrew H. Card, Jr., State Representative from the 7th District, in the morning will speak on "Women and Politics"; and in the afternoon, Dr. Armand Nicholi, II, Psychiatrist, Harvard Medical School, Massachusetts General Hospital, will talk on "Families - Moral Values and Mental Health". We will have the pleasure of hearing Robert Honeysucker, Voice Teacher (Baritone) at the Boston Conservatory of Music. This should be a very rewarding day, so do call Kay Levine (758-6942) if you plan to attend.

PLANTS - Anyone interested in a begonia plant from the Triangle, call Mary Betts (758-6456).

TESTING DATES ANNOUNCED

Assistant Superintendent James M. Pasquill announces that test dates for the Old Rochester Regional High School and Junior High School will be on October 21, 22, 23, 1980. Students in grades 7 and 9 will be taking the Massachusetts Basic Skills Test in mathematics, reading and writing. Students in grades 8 and 10 will be taking the California Achievement Tests.

All students must take these tests and those students who are absent on the test days will be required to make them up. Since the scheduling of these tests disrupt the normal school day, it will not be possible to have the make-up exams during the regular school day. Therefore, the make-up exams will be scheduled after school from 2:15-3:30 p.m. on days when 3:30 buses are scheduled and all students who miss the regularly planned testing will be required to take the exams at those times.

FIRST TOWN-WIDE CAMPOUT A SUCCESS

October's bright blue weather found 100 of Mattapoisett's Girl Scouts participating in our first community campout at Camp Wind-in-the-Pines, near Plymouth, October 3-5.

From the arrival on Friday evening, in the rain, to departure on Sunday afternoon, the girls and adults had a full weekend of fun and learning as we tried new activities and practiced our camping skills.

Drought conditions forced us to have our Saturday night campfire in the lodge but this in no way lessened the enthusiasm, especially during the Virginia Reel taught to us by Troop 99.

For some, the weekend was highlighted by the sighting of a silver grey fox, the nightly raid by the camp raccoon, and, for one camper, the unexpected visit of a skunk at an inappropriate time.

Participating for the weekend were Junior Troops 29, 67 and 99, and Cadette Troop 49. On Saturday, Brownie Troop 58 came for the day.

This was a "first" for our Girl Scouts and

A Thriller!

"VERONICA'S ROOM" AT ART CENTER

"Veronica's Room", a thriller in two acts, will be presented at the Marion Art Center October 24, 25, 26, 31 and November 1 at 8:30 p.m. with a sherry matinee on Sunday, November 2, at 4:30 p.m.

Director Wendy Bidstrup plans to carry the eerie mood of the Braibassant's turn-of-the century mansion throughout the Art Center building with special lighting effects and costumes on those connected with the play. Seating will be cabaret style as usual with beverages served at a cash bar.

The play itself is full of surprises. In the first act the audience and unsuspecting Susan are tricked into believing a story told by the kindly old family servants, John and Maureen. Susan agrees to 'dress up' and play the part of the dead Veronica to appease old Cissy, her dying sister. What happens after that is a series of twists of identity and turns of events that amaze and amuse.

CITIZEN HELP NEEDED IN WATER RESOURCES STUDY

The United States Geological Survey is preparing an assessment of the water resources in the Mattapoisett River Valley. It would help the researchers if water well owners would give information about their wells (used or unused) to the USGS. People or companies who own wells in the western half of either Rochester of Mattapoisett and wish to cooperate are asked to send their name, address, and telephone number to the USGS. ORRJHS STUDENTS PARTICIPATE IN ORIENTATION PROGRAMS AT OLD COLONY

In cooperation with the Guidance Department of Old Colony Regional Vocational Technical High School, the Old Rochester Regional Junior High School will participate in two afternoon orientation programs for each of the participating towns of Mattapoisett and Rochester.

On Thursday, October 9th, seventh grade students from Rochester were transported to the Old Colony Regional Vocational Technical High School in Rochester at the conclusion of the regular school day, and they will repeat this again on Thursday, December 11th. On Thursday, November 6, and Thursday, January 8, the seventh grade students from Mattapoisett will be given the same opportunity.

At the vocational school they will be given the opportunity to experience, in depth, two of the several shops available to them as prospective 9th grade students. During the times that they are there, each student will work on projects which are designed to be completed during that session. Students in Data Processing will have an opportunity to learn how to work a computer; students in welding will make a simple metal plant hanger. In like fashion the Culinary Arts, Drafting, Cosmetology, Health Services, Machine Shop, Automotive, Electronics, Carpentry, Electricity, and Offset Printing shops will present their own unique one-time projects.

The student groups will be kept small and well supervised. Judging from past experience with the program, the students who participate have an enjoyable experience and

The orientation program is intended to last from 2:30 to 4:30 p.m. on all days. Bus transportation to Old Colony is being provided for the children of both towns. They will depart at 1:45 each day.

On Thursday, November 6, and Thursday, January 8, the Mattapoisett buses will leave Old Colony at 4:30 p.m. Two routes, covering the eastern and western sections of Mattapoisett, will be followed for the convenience of students. It will also be possible for parents to pick their youngsters up at the junior high school at approximately 5:30, should they prefer.

On Thursday, December 11, the Rochester bus will leave Old Colony at 4:45 p.m.

Youngsters will be delivered to their neighborhoods at approximately 5:00 p.m. Should parents wish, they may pick up their children at the Old Colony Regional High School at 4:30 p.m.

We trust that all parents of 7th grade students from the two towns will view this effort as a worthwhile career/educational experience and will cooperate with the slight inconveniences caused by the after-school arrangements. We would like all students to participate and shall assume that they will do so unless an excusing letter is submitted by parents stating good reason.

STUDENT GOVERNMENT CAMPAIGN

Students at the Old Rochester Regional Junior High School participated in a student government campaign earlier this month. Nominees for the Student Affairs Committee launched a week-long effort to win their classmates' support. Students made posters, canvassed in the cafeteria, made speeches to homeroom groups and even participated in a videotaped T.V. debate. Ninety-seven percent of the student body exercised their franchise and the following students were elected to office:

7 East, John Viveiros, Kate Howard, Caleb Potter, Beth Gifford; 7 West, Tom Silveira, John Duryea, Jessica Rolli, "Pebbles" Pina; 8 North, Karen Levine, Polly Field, Sharon Lombard, Lisa Macomber; 8 South, Cameron Pease, Jon Ellms, Marshall "Bam Bam" Fernandes, Kathy King.

VOLUNTEER ENRICHMENT PROGRAM

A Volunteer Enrichment Program has been initiated at the Old Rochester Regional Junior High School. Volunteers from the community have pledged a portion of their time and talents to enhance many of the programs at the junior high. Volunteers are assisting in the library, tutoring students in all areas, and leading career discussions and enrichment activities. More information may be obtained by attending the first general meeting of the ORR Parents Club

The OR football team boosted its record last week to 2-1 with a victory over D-R. Paul Tinkham was exhibiting his finest play last Saturday as he scored 2 TD's and rushed for 183 yards. Kenny Fay got the Bulldogs started by scoring on an outstanding kickoff return. Chris Riley, the sophomore quarterback, had a fine throwing game, completing one of his passes to John Posiviata for a TD, and then another for the 2-point conversion. Over-all it was a fine win, 30-15, for the Bulldogs who look very promising this year.

The ORR booters have boosted their still undefeated record to 9-0 with wins against Westport and Bishop Connolly. Westport dropped their game 1-0 on a goal scored by Carlos Coelho, assisted by Dave Ingraham. Ron McDonald had a fine game in goal and posted his 5th personal shutout. The Bishop Connolly game was, most likely, the most important game of the season. Both unbeaten teams walked onto the ORR pitch knowing that one team would be undefeated and one would drop the game and fall into second place in Division II. The game was close right up to the half with Bishop Connolly leading 1-0. Then the OR team came out on to the field with some kind of new life and exploded offensively with 6 goals. The goals went as follows: Hector Gonzalez with 3, and Danny Parker, Dave Ingraham, and Carlos Coelho with one each. Connolly did manage to score again but the Bulldogs just exhibited fine play and showed they they were the superior team. The Bulldogs are now undefeated in Division play also with a 7-0 record.

The cross country team split this week's meets with 1 win and 1 loss. The Bulldogs beat Bourne on Monday 26-29. John Chase came in first, Derek Degrace, 3rd; Fred Jepson, 7th; Steve Viera, 5th; and Bob Hazen, 10th. The team then dropped its second meet to Westport 38-18. John Chase finished 5th, Derek Degrace 6th, Fred Jepson 7th and Steve Viera 9th.

The still undefeated volleyball team posted 2 wins this week against New Bedford Voke and Fairhaven. The Voke games were won 15-5 and 15-1. Outstanding play was exhibited by Gretchen Hamer, Laurel Ainslie and Amy Beaulieu. The second match against Fairhaven was again won 15-1 and 15-7. Cited for fine performances were Wendy Johnson, Amy Dawson and again Laurel Ainslie.

And the field hockey team won its game

Arts Lottery

NEW LOTTERY GAME TO SUPPORT ARTS

The Massachusetts Arts lottery was launched Tuesday, October 14, with the new Arts Lottery tickets going on sale at lottery sales agent locations throughout the state. With the introduction of the new game, Massachusetts becomes the first state in the nation with a lottery game specifically created to support the arts.

The Arts Lottery is the result of legislation signed into law last year. The game is administered by the Massachusetts State Lottery Commission, which has been operating other successful lottery games since 1972. Unlike other lottery games, however, net revenues from the Arts Lottery will be utilized to support a variety of arts organizations and activities at the state and local level.

The purchase of a $5 Arts Lottery ticket makes the player eligible for four consecutive weekly drawings. A top prize of $10,000 will be awarded in each of the first three weeks of each cycle, and a Grand Prize of $200,000 will be awarded in the fourth week of each cycle. The Arts Lottery offers the best odds of any Massachusetts lottery game for winning a top prize of $50,000 or more.

Net revenues from the Arts Lottery will be distributed by the newly-created Arts

A A R P CHAPTER MEETING

The Greater Fairhaven Chapter #3222 will hold their regular meeting October 17th at McGann Terrace, Fairhaven at 1:30 p.m.

Ms. Jean Dyer will speak on Proposition 2 1/2. A better understanding of this constitutional amendment will assist us when voting on November 4th.

All are welcome - bring a friend and enjoy an informative afternoon.

Proposition 2 1/2

ROCHESTER TAX RELIEF ACTION COMM.

On Thursday evening, October 9th, approximately 15 Rochester residents gathered at the Town Hall to form the Rochester Tax Relief Action Committee. It is an independent group of citizens concerned about sensible tax reform. They decided that

their first objective is to inform Rochester citizens of the consequences the town would face if "Proposition 2 1/2" were enacted. Michael J. Zeman, Chairman of the Rochester Finance Committee, was elected chairman, and Sharon Hartley, secretary.

The committee stressed that this is not a special interest group, but a wide-based coalition that is concerned about the harmful effects of "Proposition 2 1/2" on local services. The next meeting of the committee will be held on Thursday, October 16th, at 7:30 p.m. at the Town Hall, and all interested residents are invited to attend.

FORUM ON PROPOSITION 2 1/2

The Public Relations Committee of the Unitarian Memorial Church of Fairhaven is sponsoring a forum on Proposition 2 1/2. The Forum will be held on Sunday, October 19, at 12:00 noon in the church parish house on Green Street in Fairhaven. Two staff members from the Fairhaven school system will lead the forum. Take this opportunity to acquaint yourself with this issue before the election. All are welcome.

MARION-MATTAPOISETT LWV ANNOUNCES MEETING TO EXPLAIN EFFECTS OF PROPOSITION 2 1/2 ON OUR TOWNS

The Marion-Mattapoisett League of Women Voters has called a meeting to be held at the Old Rochester Regional High School Library at 7:30 p.m. on Sunday, October 19th. The public is cordially invited to attend. Coffee will be served and members of our town governments will be on hand to lead the discussion.

Letter to the Editor

PROPOSITION 2 1/2 NOT THE ANSWER TO HIGH TAXES

Proposition 2 1/2 does not affect state taxes or spending. Proposition 2 1/2 is aimed solely at the local tax structure (property and auto excise taxes) but would have no effect

on state taxes. It would not reduce or limit state taxes such as the state income tax, sales tax, business taxes, gasoline taxes and all other state taxes. Proposition 2 1/2 would not cut state expenditures for welfare or social services. Proposition 2 1/2 would not put any controls on state bureaucracy or state government.

Impact of Proposition 2 1/2 on local services. Proposition 2 1/2 promises tax cuts and restraints on future tax levies but makes no provisions to replace any lost local revenue with increased state aid. Marion and Mattapoisett, whose tax rates are under 2 1/2%, will not escape the effects of Proposition 2 1/2. As a starter, they would lose 6% of their total tax revenue due to the 62% cut in auto excise tax income. In years to come, because Proposition 2 1/2 specifies that property taxes may not increase more than 2 1/2% per year, no matter what property valuations are, inflation alone will eat up ten percent of spendable tax income each year if the present rate of inflation continues. The impact on the school budget, police department, DPW, and other town services will be felt immediately, and with increasing severity.

Impact on communities above the 2 1/2% level. Cities such as New Bedford and Bos-

ton would find themselves in financial chaos should Proposition 2 1/2 pass. To cite Boston as an example it would take eight years and a cut of 72% of its tax revenues to achieve the 2 1/2% limit. Rising inflation would reduce the purchasing power of the remaining tax levy by 60% or more. As a high percentage of Boston's expenses are fixed items such as debt servicing and repayment, pension funding, etc., little money would be left for schools and other services.

Increased State taxes inevitable. In such a situation the writing on the wall is clear. Boston and New Bedford would be forced to come to the state for aid. Higher state taxes to finance the needs of urban population centers will hit residents of rural towns whose effective tax rate is below 2 1/2%. Do we wish to pay higher state taxes to finance local services outside our control? Do we wish to give State government greater taxing authority and power than it already has? The League of Women Voters, an advocate of home rule, believes in general that local services should be paid through local revenues. The League urges a "NO" vote on Question 2, Proposition 2 1/2.

Importance of Voting against 2 1/2. Proposition 2 1/2 can be enacted if 30% of those voting in the November election answer the question and a majority of the 30% vote YES. Many people automatically vote "yes" for any tax cut regardless of what it will cost. It is important to Marion, Mattapoisett, and to Massachusetts to defeat Proposition 2 1/2. Vote NO on Question 2.

Jay Crowley, President
Marion-Mattapoisett LWV

WHALING CITY ARM
WRESTLING CHAMPIONSHIPS

The grunts and groans you hear are from the YMCA where the men are practicing for the "Y"'s 5th annual arm wrestling championships, scheduled for Saturday, November 22, at 10:00 a.m.

Last year forty-five men competing in six weight classes "strong-armed" their way through a tough and exciting tournament. The competition is expected to be even tougher this year as several men are intent on avenging close losses from last year.

The YMCA uses the "Scranton-style" of arm-wrestling, explained Vincent Goglia, Physical Director. This is the sitting method of arm-wrestling originated in Scranton many years ago and is a stricter form than the Petaluma or standing style originated in California. Additional contest information and an application form may be obtained by visiting the "Y" at 25 South Water Street, New Bedford or by calling 997-0734.

FIELD WALK - OCTOBER 18th

Anyone who may have passed by the Museum Outdoors on Old Westport Road recently was sure to see the Fall Sugar Maples that line the property decked out in their finest array. Fall brings out the brilliant scarlets and oranges of the Maples, the yellows and maroons of the Ash, and the rusts of the Oaks. On Saturday, October 18th, all are welcome to visit the Museum and walk among the trees, learn about why the leaves turn color, and many other things in the natural world that change at this beautiful time of year. Leaves can also be gathered during the walk and taken home to be pressed so that the brilliant Fall colors can be preserved.

BIRD SEED SALE

Saturday, October 18th, will be the pick-up day for eveyone who has ordered Bird Seed at the Children's Museum. If you haven't already placed an order, seed is still available and can be bought at the back parking lot of the Museum Outdoors off Longview Drive in North Dartmouth, between 9 a.m. and 4 p.m. This year we are selling Sunflower Seed, Wild Bird Seed, Cracked Corn, Sunflower Hearts, Thistle Seed, and the new Black Sunflower Seed that has a higher percentage of oil which is very necessary for the birds as they struggle through a New England winter. For more information please call 993-3361. This is the first of three Bird Seed sales for this Winter and the proceeds from the sale go toward funding the many educational programs offered by the Children's Museum. Thank you for your continuing support.

Heritage Plantation

Although the Heritage Plantation in Sandwich closed to the general public October 13 it will remain open for membership activities and, during the week, for group visits of 20 or more. Also, for the first time, the Plantation will re-open November 15 for Saturdays (10-5) and Sundays (12-5) through December 21. The Antique Car Barn, featuring a special exhibit, "The Paintings of Dodge Macknight," and the Museum Store will be open during this period.

Energy Expo

Bristol Community College is planning an "Energy Expo" on Saturday, October 18th, from 10 to 4 at the Elsbree Street campus, sponsored by Citizens for Citizens, Inc.

The all day event will feature the energy saving products of over 400 New England businesses.

In addition, a personal energy auditing

simulator will be available for people who wish to analyze the energy needs of their home.

All types of energy saving devices will be on display. Window shades and insulated draperies will be among the simplest; evacuated tube collectors (solar collectors) among the most sophisticated. Solar domestic heating systems, wood and coal stoves, weatherstripping, insulation, and chain saws will also be featured at some of the booths.

EG & G of Wellesley, state and local officials will be represented along with the students of BCC's Energy Systems Technology course who will be demonstrating their wind and photovoltaic equipment.

The expo is under the direction of Elizabeth Bevilacqua, program co-ordinator for the Energy Referral Office, Professor Dixon Yard and Professor Robert Benjamin.

STUDENT FIELD TRIP

While two Old Hammondtown School sixth grade classes were studying about animals and how they grow and develop, they took a walk to the Mattapoisett River. Mr. Jenney's pictures shown on the cover of the Presto Press several weeks ago gave the classes the idea of going to this spot. As the students were looking they tried to classify the many kinds of animals. They found snakes (reptiles), frogs (amphibians), paramecium (one-celled animals), leech (seg-

TOBEY HOSPITAL BLOOD BANK
AWARDED ACCREDITATION

Tobey Hospital Blood Bank has been awarded a two year accreditation by the American Association of Blood Banks (AABB), according to Warren E. Bishop, Administrator of the hospital.

Accreditation follows an intensive on-site inspection by specially trained representatives of the Association, and establishes that the level of medical, technical and administrative performance within the facility meets or exceeds the rigorous standards set by the AABB. By successfully meeting those requirements, Tobey Hospital Blood Bank can join more than 2,000 similar facilities across the United States that have earned the Accreditation rating and recognition.

Mr. Bishop explained: "The AABB's in-

Heart Honors

The Cape & Islands Division of the American Heart Association, Massachusetts Affiliate, was honored recently in Boston when its Chairman of the Board accepted the Division Achievement Award for its performance during the past year.

The award is based on predetermined criteria of standards in fundraising (income increases on a continuing basis and costs involved), programs (priorities set, procedures followed and results achieved) and general overall administration and policy implementation. It was accepted by Board Chairman John R. Pagenkopf, C.L.U., of Mattapoisett. Other Division volunteers attending the dinner meeting were Gary E. Tratt, M.D., immediate Past President of the Division, and Mrs. Tratt; John H. Arthur, M.D., current President, and Mrs. Arthur; Judith Silverman, Division Campaign Chairman; and Mrs. John Pagenkopf.

Representing the staff were Helen Latimer, Program Director; Judith Goodman, Fund-Raising Director; and Barbara Sheaffer, Division Director.

This is the second time the Cape & Islands Division has received the achievement award. The first was for the years 1973-74 when the growth of community programming increased dramatically. The fund raising record continued to rise yearly, as it has done again in 1980 for a new income high.

The Division also received national recognition when acknowledgement of outstanding fund raising was made in the August issue of PR Reference, a publication of the Communications Division of American Heart designed to keep national staff and volunteers informed about the latest promotion tools and techniques and to share successful events across the country. The article notes the fact that in 1980, special events in the Cape & Islands Division earned more than $89,000 of the total $177,361 raised from all sources. It pointed to the per capita of $1.05 in a year of economic activity slowdown.

The AHA paper gives several reasons for the success of the Division, citing continuity of staff, innovation in creating new special events and the dedication of volunteers in fund raising efforts.

ARTWEEK BOSTON 1980 provides an opportunity for people to personally meet outstanding artists working in every medium; sculpture, painting, glass, ceramics, photography, printmaking, drawing, fibre, electrographics, jewelry, furniture, graphics, and video.

Over one hundred museums, galleries, and arts organizations will schedule events related to ARTWEEK BOSTON 1980, including guided tours to studios, seminars, lectures, film programs and exhibitions.

Free maps locating each studio and a juried catalog (for which there is a charge) will be widely distributed to help the public plan their visits. Special programs are listed on the maps.

During Artweek Boston 1978, approximately 15,000 people visited 400 artists' studios. Public enthusiasm has made ARTWEEK BOSTON an important biennial event. ARTWEEK BOSTON 1980 is a program of The Artists Foundation, Inc.

Lists of artists' studios accessible to the handicapped are available through The Artists Foundation Inc.

The Expose Ball on October 18 kicks off ARTWEEK BOSTON 1980. Braniff's International Terminal at Logan Airport will be the site for this gala affair.
